01 Overview & Quick Facts

XUV500 is retained as a discontinued South African model for historical buyer reference. Current new-car shoppers should treat it as an archive listing and compare any used example against condition, mileage, service history and parts support.

Expert Verdict

"XUV500 is retained as a discontinued South African reference for used-car and historical context."

XUV500 should be evaluated from the variant rows because equipment and pricing vary materially by trim.

Off-Road	Off-road or utility suitability is captured only where OEM specs publish 4x4, clearance, towing or terrain data.
Best For	South African new-car buyer comparing local price, warranty, seating and equipment.

04 Variant Comparison Matrix

All 0 variants of the Mahindra XUV500 side-by-side. Use this to spot the smallest differences quickly — fuel, power, gearbox and price all in one view.
