## 01 Overview & Quick Facts

The Land Cruiser 76 Station Wagon is the definitive hardcore 4x4 for serious off-road work in Southern Africa. Built on the 70 Series platform that dates back to 1984, it prioritises durability, reliability and off-road ability above all else. Powered by a 4.0-litre V6 petrol or 4.2-litre diesel engine, it's the vehicle of choice for game farms, safari operations and remote area travel.

## Expert Verdict

*"Africa's ultimate off-road workhorse – built to go anywhere and survive anything."*

The LC76 is not for comfort seekers. It's for people who need a vehicle that will get them home no matter what – whether that's through rivers, sand dunes or rocky mountain tracks.

<b>City Driving</b>	Heavy and thirsty in urban use – not ideal for daily city driving
<b>Highway</b>	Adequate – comfortable at highway speed but lacks refinement
<b>Off-Road</b>	Legendary – few production vehicles surpass its off-road capability
<b>Best For</b>	Safari operators, farmers, remote area workers and serious off-road adventurers
