## 01 Overview & Quick Facts

The Polo Sedan fills the gap between the Polo Hatch and the Vento/Jetta in Volkswagen's SA lineup. It appeals to buyers who prefer the traditional three-box sedan body style over a hatchback, offering a larger separate boot. Powered by 1.0 and 1.6-litre petrol engines with both manual and automatic options, it competes with the Toyota Corolla Quest and Honda Amaze.

### Expert Verdict

*"VW quality in a practical sedan package – ideal for families wanting a conventional boot."*

The Polo Sedan may not be as dynamic as the Polo Hatch but its larger boot and traditional proportions suit many SA buyers who prioritise boot space over driving dynamics.

<b>Highway</b>	Good – comfortable and efficient for long distances
<b>Off-Road</b>	Not suitable
<b>Best For</b>	Buyers preferring traditional sedan practicality with VW build quality
